

Participants responses

It will actually save a lot of time for me.

Emotions

You guys nailed it!

Delights

I travel a lot and what you done if actually happens in real life, it would be really great and helpful.

Emotions

Airlines won't be happy with you guys haha

quotes

I love the website

Delights

I love your presentation

Delights

It's great, just great.

Delights

Kudos to your work

Delights

you guys are working on something that actually matters

Delights Emotions

I love the graphics

Delights

The website is so good and efficient

Delights

I would love to see this website working live

Delights

Amazing work!

Delights

There can be done more towards awareness

suggestion

Killed it!

Delights

can you guys make it work properly in sometime

Delights suggestion

I hate going to Airline staff about the complaints

Emotions

Uh! Airlines

Emotions

can you guys also increase awareness outside of the airport and in-flight

suggestion

I am never able to find whether I am even eligible for compensation or not

Emotions

So, I don't have to go to the airlines In-person?

Delights Emotions

great! great! great!

Delights

Keep on the good work

Delights

Suggestions

There can be done more towards awareness

suggestion

can you make it more pleasing in visuals

suggestion

can you guys make it work properly in sometime

suggestion

can you guys also increase awareness outside of the airport and in-flight

suggestion

can you make the search bar more effective so that I can write city's name rather than the airport's

suggestion

Don't have much suggestions to add, you guys did a great job

general response suggestion

Is it possible ig I can directly apply for compensation from the website itself

suggestion

are you guys also making a mobile application?

question suggestion

can you add accessibility features like font adjustment

suggestion

can you also add option to go back a step or more

suggestion

can you also add recent completed flight option rather using data from 3 days ago

suggestion
